

# Final Report of the Conference

The Consortium consisting in the Romanian Society of Physical and Rehabilitation Medicine & Balneoclimatology (RSPRMB), the Romanian Association of Balneology (RAB), the Romanian Spinal Cord Society (RoSCoS) and the Romanian Society of Neurorehabilitation (RoSNeRa), affiliated to the Romanian Medical Association (RMA), together with the "Ovidius" University, the Emergency County Clinical Hospital "Sf. Apostol Andrei" – from Constanta – and the Balneal and Rehabilitation Sanatorium in Techirghiol (BRST), under the academic auspices of the University of Medicine and Pharmacy "Carol Davila" (UMPCD), in Bucharest – have organized, at the "Ovidius" University from Constanta, between the 3rd and 5th of September, and at the BRST, on September 5th, 2017, the National Interdisciplinary Conference with International Visibility: "Comprehensive approaches in pain issues and in spinal cord pathology in the context of the International Day of Spinal Cord Injury (SCI Day)"

## Thematic areas/ topics :

- Inter/multidisciplinarity in the approach of algo-genic pathologies: historical, conceptual and taxonomic fundamentals
- Complex management in algo-dysfunctional musculoskeletal pathology
- Complex management in neurological/ neurosurgical and/or psychogenic algo-dysfunctional pathology
- Complex management in dismetabolic and/ or oncological algo-dysfunctional pathology
- Pain approaches through Physical/ Kineto-Therapeutical means in Balneology and Rehabilitation
- Complex management in algo-dysfunctional pathology secondary to spinal cord injury
- Varia

The event began, according to the schedule settled by the organizers, on September 3, 2017 at 11.00 (preceded by the registration of participants from 8.00-11.00) with the festive opening, at which were present and make short speeches the Honor Co-Presidents of the Conference: Prof. Univ. Sorin Rugina MD PhD - Rector of "Ovidius" University of Constanta and Acad. Prof. Univ. Constantin Ionescu-Tirgoviste MD PhD- President of the Romanian Medical Association, who sent a video message greeting and supporting the event, Co-Presidents of the conference: Prof. Univ. Gelu Onose MD, PhD - Executive President of Honor of RSPRMB, "Carol Davila" University of Medicine and Pharmacy, CSIII Biologist Constantin Munteanu PhD - President of the Romanian Association of Balneology and Assoc. Prof. Dan Iliescu MD, PhD- Dean of the "Ovidius" Faculty of Medicine from University of Constanta, along with invited guests – Assist. Prof. Catalin Grasa MD, PhD - Manager of Emergency County Clinical Hospital "Sf. Ap. Andrei " from Constanta, Assoc. Prof. Olga Surdu MD PhD - "Ovidius" University of Constanta, Anne Laure Henry- EPSOLOR Adjunct Director from France, Doinița Oprea MD - representative of the Balneal and Recovery Sanatorium of Techirghiol.

	Andrada Mirea, Liliana Padure, Daniel Munteanu, Gelu Onose	Da putem evita traumatismele vertebro-medulare (TVM) / Yes we can avoid Spinal Cord Injury (SCI)
III ex aequo	Albadi Irina, C. Ciobotaru, A. Lupu, G. Onose	Modalitati de prevenire a traumatismelor vertebro-medulare/ Modalities for preventing spinal cord injury
	Gabriela Rahnea Nita, Roxana Andreea Rahnea Nita, Mihaela Popescu , I.Duluta , C.Macovei, Anda Natalia Ciuhu	Managementul durerii neoplazice de intensitate severa/Management of severe neoplastic pain

The conference included, on the third day of the event, 3 actions dedicated to marking the International Spinal Cord Injury Day - World SCI Day - established by the World Health Organization (WHO) and the International Society of Spinal Cord (ISCOs) since last year and set for September 5th of each year.

Thus, on September 5, 2017 took place:

- A scientific session with specialized papers with mainly profile theme;
- An interactive workshop - Intermittent catheterization - demonstrations on the mannequin, sustained by Prof. Univ. Gelu Onose MD, PhD and Mrs. Irina Vasile, representative of Pharma Telnet - that provided the necessary material support;

The apogee of the international spinal cord injury day - World SCI Day - took place at the Balneal and Recovery Sanatorium of Techirghiol (BRST) via Skype, live, quadruplex, between Techirghiol - Romania, Maison d'Accueil Spécialisée «les Rantzau» Lorquin from France, Maison Oberkirch - Strasbourg from France and Hammam Chellala Guelmadin Algeria. During the event were held brief speeches by Prof. univ. Gelu Onose MD, PhD, Anne Laure Henry - Adjunct Director of EPSOLOR from France, Jully Jean-Pierre Lorquin's Mayor from France, Olga OREDA General Manager of Foyer d'Accueil Médicalisé et Maison d'Accueil Spécialisée Oberkirch, Strasbourg, and Dr. Ahmed Belaiter, Hammam Chellala Guelma - Algeria.

At the festivities held in Balneal and Recovery Sanatorium of Techirghiol from Romania. in the presence of the mayor's representative, the Romanian organizers handed Mrs. Anne Laure Henry, as a representative of the Lorquin community from France, and also to the representative of Techirghiol City Hall, homage plaques dedicated to mark the international day of spinal cord injury - World SCI Day, highlighting in this way an excellent bilateral collaboration in the preparation of the event.

In addition, the Co-President of the Conference, Assoc. Prof. Dan Iliescu MD, PhD - Dean of the Faculty of Medicine from "Ovidius" University, Constanta, on behalf of the University and of the Rector of "Ovidius" University from Constanta - Prof. Univ. Sorin Rugina MD, PhD - Co-President of Honor of the Conference, awarded the diploma and the prize medal dedicated to the Ovidius International Year - commemorating the celebration of 2000 years since the death of the great Romanian poet Publius Ovidius Naso - to Mrs. Anne Laure Henry, to the Mayor of Lorquin from France and the Co-President of the conference Prof. univ. Gelu Onose MD, PhD.

## Balneal and Rehabilitation Sanatorium in Techirghiol – Romania

Maison d'Accueil Spécialisée « les Rantzau » Lorquin – France

Maison d'Accueil Spécialisée Oberkirch, Strasbourg – France

Hammam Chellala Guelma – Algeria

The key features, of the conference, from the academic and contextual point of view, were the interdisciplinarity/ multidisciplinary as well as the multimodal and novelty aspects of both the scientific papers presented and the inclusion of the World SCI Day - exactly on the date set by the ISCoS and the WHO.

In conclusion, we can consider the Conference to be a great success and we believe that we have all the premises to hope that it will become an annual, traditionally manifestation that will keep the successful pattern of the event that has been presented above.

Co-Presidents of the Conference:

Prof. Dr. Gelu Onose, MD, PhD, MSc

Dr. Biologist Constantin Munteanu
